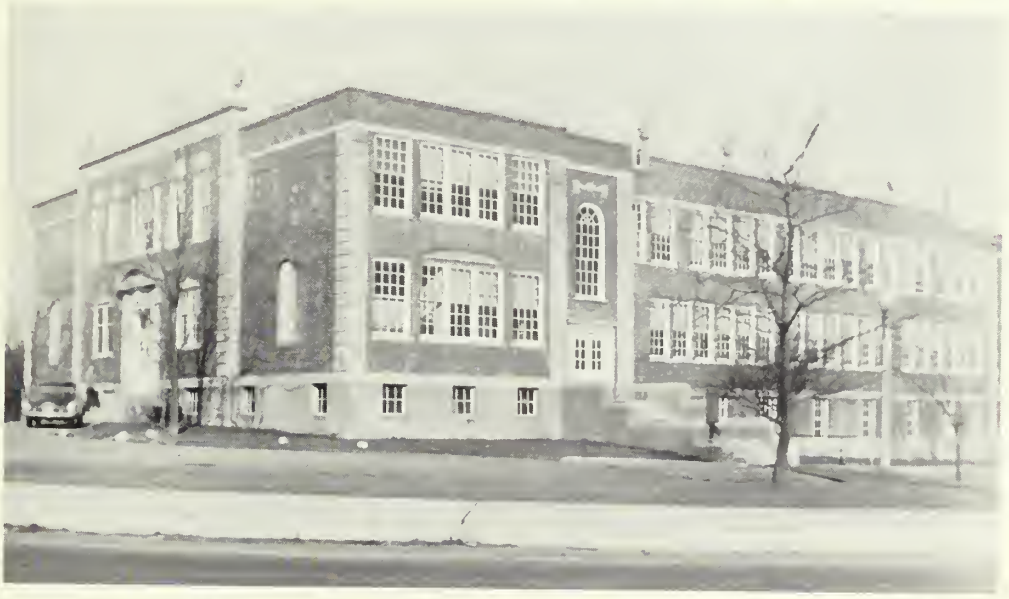
# THE WHITMAN HIGH SCHOOL YEARBOOK



CLASS COLORS: MAROON & SILVER

CLASS FLOWER: ROSE

CLASS MOTTO: LIGHT TOMORROW WITH TODAY

# FOREWORD

Whitman High School, as we leave you at the
end of our four years,
And your books and desks become a golden
past;
We find joy that's mixed with sadness; we find
happiness and tears--
Love and pride for you that will forever last.

To our teachers and their friendship we can
only say goodbye
And express our gratitude to them so true;
But we also leave remembrance of an ever-
lasting tie,
For a little of them leaves within us, too.

And too, last of all, the students, each and
every one a friend,
We remind them that no matter where they
be,
Though their road may be a long one--one
which seems to never end--
To but keep this book they keep each memory.

# DEDICATION

In appreciation of their sincere interest in our activities and their enthusiasm in helping us, we, the class of 1954, dedicate our Yearbook to our class advisors, Dorothy Taylor and John O'Neill, Jr.

We hope that this Yearbook will bring back many pleasant memories to them and that they will remember us in the future with affection and pride.

# OUR PRINCIPAL'S MESSAGE

The graduates of Whitman High School in the year Nineteen Hundred and Fifty-four look out upon a world troubled by an unstable and uneasy peace. Our great Country, while at peace, strives with untiring efforts for a solution of the problems of the world in international councils and at the same time prepares for the defense of itself and of all free nations against the onslaught of communism.

Two great political philosophies of life, Free Democracy and Communism, struggle for supremacy in the world today. The Communist masters behind the Iron Curtain push relentlessly onward in their struggle to conquer the free world through propaganda, which confuses and divides, and through ultimate military conquest. This is a struggle which must not -- which cannot -- be viewed with apathy from afar. It is unalterably true that "Freedom is everybody's business."

The graduates of the Whitman High School must take their places beside all other freedom-loving peoples. Arm yourselves with the weapons of freedom: be strong in the faith of Almighty God; love and serve your country and be firm in the belief of all for which it stands.

You face the future equipped with the best training and education which a proud Community through your teachers could give to you. The best wishes, hopes, and prayers of all of us for your future and for the future of our beloved country go with you. Although your Public School Education is now behind you, your education is not complete. Every experience in which you will be involved in your future life will teach you something. Every person with whom you will be associated will be affected, if ever so slightly, by you. You as citizens will be responsible for maintaining continuity of thought and culture and moral values between present and past. The "main road" of accumulated knowledge and fundamental culture, leading from the remote past through the present and into the future, should be kept open and well-paved. There is great need in the world today with its confused thinking for better morals, more self-discipline, and a sounder sense of values.

Hold high the torch of Liberty and carry untarnished the banner of Freedom.

P. K. Johnson, Jr.

# A TRIBUTE

We, the members of the class of 1954, wish to dedicate this page to Superintendent Frank E. Holt as a tribute to his service in bettering the Whitman schools. Superintendent Holt came to Whitman in 1922. During his long and distinguished career in Whitman, this fine educator has spent many hours studying problems, seeking only to reach decisions that would be best for the students and the town served.

Mr. Holt was born in Temple, New Hampshire, on November 20, 1884, the son of William D. and Agnes M. Holt. He is a graduate of Cushing Academy; Amherst College, B.S.; and Harvard Graduate School of Education. Mr. Holt began his teaching career as a science teacher in Plymouth, Massachusetts in 1906.

From there he went on to Kingston, New York. After two years he became teaching principal of North Chelmsford High School. He held the same position at Northbridge High School in Whitinsville, Massachusetts, and later became the Superintendent of Schools there.

In 1922, Mr. Holt moved to Whitman with his wife Maude and his children, Evelyn and Paul, to assume the position of Superintendent of Schools, which position he has held to this date.

Mr. Holt is a member of several teachers' association, including local, state, and national chapters. He also is a member of the American Association of School Administrators, the South Shore Schoolmen's Club, of which he is a past president, and the South Shore Superintendents' Club, of which he is also a past president.

His social and fraternal activities include Granite Lodge, A. F. and A. M; Pilgrim Chapter No. 89, O.E. S.; Plymouth Rock Lodge No. 43 K. of P; the Whitman Kiwanis Club, of which he is a Charter Member, a Past President, and Past Lieutenant Governor, Division 11, New England District of Kiwanis International Inc.

Whitman has been indeed fortunate in having had in Mr. Holt an extremely competent superintendent for so many years. We, the class of 1954, wish Mr. Holt much happiness in his years of retirement.

# CLASS HISTORY

When we finished grammar school days, we were callow ones and shy,
And t'was full of awe and wonder that we entered Whitman High.

There was little in the cold, red bricks to make a student shout,
And we scanned the rooms and corridors with many a qualm and doubt.

Sophisticated monitors we knew would understand,
So we overlooked their knowing grins to beg a helping hand.

Though it took a bit of freshening the Freshman to refresh,
At last we had the grasp of things within our mental mesh.

A company of teachers kind were here to profer lore,
Intent that someday each of us should be a Sophomore.

A few short weeks for confidence and all were High School bred:
Thus Operation Learning soon progressed full-speed ahead.

A few courageous students from the school's most verdant class
Became proficient advocates of hit and forward pass.

Louise and Cynthia we chose for voice and animation
To cheer our sturdy athletes on, come sorrow or elation.

The Driver Training Course was hailed a splendid innovation,
A twist quite sharp thus given to the wheel of education.

The raw recruits of yester-year, their Sophomore year begun,
They were the grinning monitors that fall of fifty one.

Responsibilities accrued, and called to organize.
We chose a slate official lest confusion should arise.

Paul Christiansen and Jimmy Hogg were our elected men;
Louise was fair vice-president and Judy wore the pen.

Miss Taylor and Monsieur O'Neill, who gave us help unstinted
As class advisors, were at hand whenever need was hinted.

At last we formed a speedy group, in shirt and jerseys dressed;
The first such institution here we owe to Mr. West.

Our hoopsters feminine that fall attained to heights sublime;
To give them tribute adequate is quite beyond our rhyme.

Miss Hinkley and our Margie Jones the second team directed;
The record proves the acumen with which they were selected.

"The Magic Mirror", our first dance, though not of formal dress,
Reflected, paid and socially a well, worked-out success.

The group who left in fifty-two with post and future equal,
Returned, determined, in the fall, to play an adult sequel.

To Bob and John, we Juniors turned, there was so much to do.
We felt our class's future soon would teem with problems new.

To balance up our ruling staff and give much needed aid,
A pair of Judys were adjudged equipped to make the grade.

In the football headlines of that year we saw a dauntless crew
Who best their Big Green rivals in the game of fifty two.

"Saludos Amigos", our Junior dance, was held in crisp November,
A gala, bright festivity which all will long remember.

Black onyx with gold plate engraved, when all the votes were cast,
Became the ring we chose to wear to represent our past.

Our Junior Prom, of all events, will never cease to gleam
A sparkling night of gaiety, seen once, but now a dream.

The men with tuxes neatly worn - the women's sharp attire
Were fashioned of that cultured style which sets Paree afire.

When, in the spring of this same year the Spellman Match was held,
Bob Hanson spoke as no one could and easily excelled.

May 23rd, our Junior year-oh happy acquisition-
We gained a friend without a loss-an unsurpassed revision.

A quarter century now past of able school direction,
Our Mr. Bayley was for "Guidance" an all-wise selection.

Might one strong wish be granted for our dear old Alma Mater-
Please, God, may Mr. Johnson stay as long, just for a starter.

A five-star Principal to lead the hopeful Whitman student!
A weld of industry and wit, a patient man and prudent.

And furthermore-though quite without the realm of pedant duty-
We note with coy propriety his charm and manly beauty.

Our baseball team in fifty-three were Yanks for all of me;
They took ten straight to cop the cup of The Old Colony.

Behold the Seniors, staid and sure, the final gong obey;
Are these the shy and awkward of three years ago today?

Now, first among our many tasks was our last class election;
We chose four mates whose talents could the least escape detection.

To John we flung the torch of power; we banked with Bill Burnett;
The record was in Esther's hand, and Bev. was alternate.

Our "Football Dance" was honored by three stalwarts full of stuffing;
Their counterparts upon the field were n'er accused of bluffing.

Yes, "Jennie Kissed Me" was superb (through verified induction)
For all who saw it rate it still a marvelous production.

A grateful and sincere applause for careful, patient coaching-
Miss Gilbert led to Thespian heights which seldom bear encroaching.

One plaudit more to cast and coach, one final osculation,
For bringing to those folks confined the best in recreation.

When once we hogged the video to see a violet-shrinking,
Altrusa Bev. convulsed us with her poise and telewinking.

We tried appeasement on the Fates with bow ties and suspenders
Though forced, indeed, the crown to cede to Abington pretenders.

Esther Tarvainen, "Good Citizen"--thus she was recorded;
Her sterling traits were honored when the D. A. R. awarded.

To foster good state government our man was Ervin Fratus
With Herter and the Senate he reviewed our legal status.

Now, Graduation is our port across the mighty ocean;
We leave the ship with eagerness, but not without emotion.

Well, all in all, the years have been a learning and a joy,
A pleasant round of teacher-talk, a game, a girl-meet boy.

Some have made a sport of study and were bookworns of a sort,
And some performed their studies, but preferred to study sport.

Despite some phases doubtless met with a reluctant sigh,
Dear Time Agone, shall gem bedeck each hour at Whitman High.

# CLASS PROPHECY

Carol: Well, Beverly, it must be nice to have a penthouse apartment on Fifth Avenue. I know all our classmates enjoyed our Twentieth Reunion here last night.

Beverly: It certainly was wonderful to see everyone again. Weren't their stories interesting? Back in 1954, we wouldn't have believed it if someone told us that we would be flying in from the various planets for our reunion. It seems impossible that in twenty short years interplanetary travel has become so common and that the planets have been inhabited so quickly.

Carol: Yes, it's almost unbelievable; and yet itis remarkable, especially since many of our classmates have played a large part in it. Jimmy Moneghan was elected the first President of Mars. Millard Thomas, the Attorney-General, and Jeanette Brousseau, the Postmaster General, were also among the first officeholders there.

Beverly: I hear that Francis Lessard and KennyGay, now employed by the Royal Rocketship Line, were the first pilots to land on a planet. Barbara Brine and Myrna Braley are now serving as hostesses on the same line.

Carol: I understand, too, that Bob McCarthy, a rocket ship radio technician; Earl Aitken, a supervisor of mechanics; Sally Ibbitson, a stewardess; and William Shields, a test pilot, are on the staff of a rival concern, the Jupitor Jet Corporation.

Beverly: So many of our classmates have moved to the Planets! John Cantara, the star pitcher on the Jupitor Jumpers ball club, said that he intended to make his home on Jupiter; and Erv Fratus, first string quarterback of the Saturn Stars football team, has already bought a home on Saturn.

Carol: Donald Carter is on Saturn, too. He owns the Carter Construction Company there. Right now, under the direction of constructing engineer, Louis Mendes, the firm is building a bridge from Saturn to Mars. Missionary Bob Hanson, who plans to establish churches on the planets, may be the first one to use that bridge.

Beverly: Did you know that Evangeline Liapis moved to Mars and is concert director there now? And Kenny Johnston just received an award from the government of Mars for his invention, "Sleek Car of 1974."

Carol: And who bought the first "Sleek Car"? Janice Ferris, the expert on interplanetary travel. She keeps it at her headquarters in Bermuda. June Kelliher is a travel agent, too. She has her office in Marilyn Hinkley's Sunnyside Plaza Hotel on Miami Beach. Barbara Braley is also employed there as the dining room hostess, and the hotel kitchen is well managed by Chef Arlene Landry and food expert Kay Ferris.

Beverly: You heard them talking about the big show that was put on at the hotel last week, didn't you? Marilyn Nichols' model agency and America's top model, Rita Jones, showed the latest styles from Paris.

Carol: Oh, yes, many of our classmates were there. Ann Vierra, the buyer for Sak's of Fifth Avenue, was sent by store manager Joan Young to select some purchases. Irene Hough, employed as a dress designer at the same store accompanied Ann and exhibited many of her stylish creations. Jane Archibald, the style editor of the New York Times, elaborately described the fashions. Between shows, Cynthia Keith, the editor of the beauty hint column for the "Mars Telegram," demonstrated cosmetics and answered questions on beauty problems, while Pat Treptow acted as photographer for the Planetary Photo Service.

Beverly: Even the men had a chance to see the latest in their clothing. Joseph Hardiman, owner of the Tall Men's Clothing Company, and his silent partner, Elaine Singleton, displayed many garments. Sally Hall and Bev Kramarski, commercial artists, who were there to get illustrations for their fashion magazine, certainly had a great variety to choose from!

Carol: I believe they said there was an antique exhibit run by Jean Thorburn in the late afternoon; in the evening a skating revue, produced and directed by Janet Josselyn and starring the figure-skating champion of the world, Nancy Carter, was presented in the dining room.

Beverly: The Sunnyside Plaza Hotel appears to be very well-known among our classmates. Alan Jenkins, a rich, retired bachelor, just returned from a month's vacation there; and Shirley Aubert was given a three weeks' vacation there as a reward for being chosen "Mother of the Year."

Carol: Another Whitmanite, too, has won fame in his home state. Donald Young, a state trooper, recently captured the most wanted criminal. This criminal is due to appear before Judge Joe Clifford in Municipal Court tomorrow. Undoubtedly he will be sent to Sing Sing, where he will be kept under control by

Warden Joe Shields and his able assistant, Dotty Van Dale.

Beverly: At least at Sing Sing he will be able to see television. And maybe it will be Roy Mollomo's remarkable invention--3D television.

Carol: Yes, 3D has done wonders for television. There are many good programs on now, especially since some of our classmates have gone into that profession. Carolyn Burr has a disc-jockey show; Paul Christiansen is the MC of Twenty Questions; and Comedian Charlie Sanville has made numerous guest appearances on the different variety shows.

Beverly: Tap dancer Dale Murray told me that she and comedian Judy Denham were leaving Broadway temporarily to participate in a new TV production. Anna D'Arpino, world famous singer, and her accompanist, Alice Karamanian, returned from a trip abroad to appear on the show.

Carol: Speaking of new productions, did you hear Meredith Clark, a receptionist at MGM, raving about producer Charlie Turner's latest movie? Jack Harrington and Carol Horte have the leading roles. She said the work done by costume designer Louise Waitt and hair stylist Nancy Marshall is wonderful, not to mention the beautiful setting created by Judy Nickerson, now proclaimed Hollywood's second Walt Disney.

Beverly: Gee! Our class has really become famous. Beverly Blute, the renowned educator, has just returned from Saturn to accept her new position as president of Bridgewater State Teachers' College.

Carol: Our classmates have truly done their share to ease the terrible shortage of teachers. Kay Litchfield is teaching English at Vassar, and Ferguson's Kindergarten run by Judy Hinkley is the pride of Whitman.

Beverly: I understand that Frank Vara is headmaster of Vara's Preparatory School, the first of its kind on Mars. Donald Robar just accepted the professorship of Problems of Democracy there.

Carol: And believe it or not, three are right back at Whitman High School. Joe Piazzi is the principal; Mary Condon is teaching chemistry; and the driver training program is under the supervision of Thalia Chiros.

Beverly: Louise McCarthy has done a great deal for education in the line of Mathematics. "The McCarthy Theory of Math Shortcuts" was published the world over. And I just finished reading some of the works of our other authors. Bob Rumrill, Poet Laureate of Jupiter, recently had his second volume of poems published. I understand, too, that Betty Hunt's "How to Be Happy" is a best seller; and Rosalie Schmikler has helped many young secretaries with her latest book, "How to Be a Successful Secretary."

Carol: Yes, and books aren't the end of our class's literary abilities, for two have found fame and fortune in the newspaper world. Walter Paulding has the exciting job of foreign correspondent and Cindy Harriman has taken over Hedda Hopper's column.

Beverly: I read in Cindy's column that Kathy McMillan, New York's top socialite and the wife of a millionaire, plans to donate a large sum of money to Mars Memorial Hospital. Judy Seamans, the chief psychologist there, will be very happy about that.

Carol: I understand, too, that nurse Joan White needs funds for the "Home for Poor Aged Teachers," of which she is superintendent. Sybil Bellrose, her head nurse, has been chosen chairman of the drive.

Beverly: Bill Burnett, treasurer of the United States, said at a public address he made last week that he wished to set up special funds for such organizations.

Carol: John Damon promises to do a great deal along that line if he becomes President in November. Robert Spear has just returned from Europe to serve as his campaign manager; and Richard Palm, a Navy Admiral, stated that he was supporting John, too.

Beverly: Speaking of the service, I heard flight nurse Esther Tarvainen and pilot Silvia Wilde telling sociologist Elaine Miller at the reunion that they had joined the WAFS. I was told they were given direct commissions, too.

Carol: Afterward, Robert Spear gave a little speech on the new science system that John hopes to put through if elected. It seems that he, along with naturalist Thalia Denham, dairy farmer James Hogg, and game warden Ray Belcher, have plans for new conservation laws. They have asked physicist Charles Smith to provide all the needed scientific methods.

Beverly: John's platform also provides for an Interplanetary Funeral Service. To help him plan this Service, John has the help of the able mortician, Charlotte Rhodes, and cemetery owner, Connie Dean.

Carol: There certainly are a lot of our classmates making the headlines. Why just yesterday I read of Margie Jones' "Jumping Bloomer Girl Basketball Team" winning the championship of the planets. Then I saw that Joan Brock broke the world's typing record, and Carl Pina broke his own auto racing record.

Beverly: Oh, by the way, Carol, how do you like medical research?

Carol: It's just wonderful. I suppose it's not as exciting as being a surgeon and owning this penthouse as you do, but it offers a lot of challenges.

Beverly: All our reminiscing last night and today enabled us to relive the pats twenty years all over again. I think, Carol, that I can sum it all up by saying that I enjoyed seeing our classmates and hearing their stories so much I can't wait until our next reunion. I wish we didn't have to wait twenty more years for it.

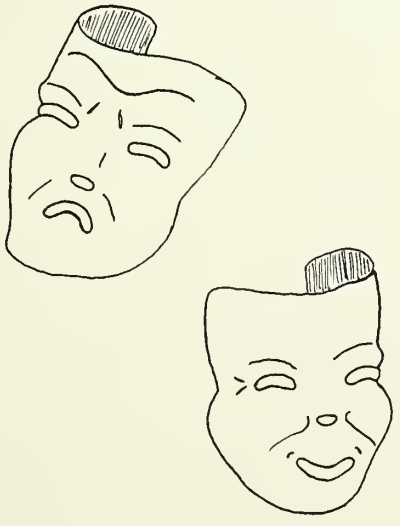
# EXTRA CURRICULAR



STUDENT COUNCIL

First Row: Elaine Campbell, Carl Pina, Marjorie Jones, James Moneghan, Judith Seamans, Joan Goodwin, and Kathleen Deehan.

Second Row: Mrs. Pratt, Constance Baker, Ann D'Arpino, Grace McLaughlin, Norma Chaplin, Evelyn Drake, Louise Shea, and Mrs. Hartshorn.

Third Row: Robert Bergman, David Breil, Russell Martenson, James Hogg, Florence McCarthy, William Powers, and David Condon.

At the first meeting of the Student Council on October 1, 1953, the following council officers were elected: President, James Moneghan; Vice-President, Marjorie Jones; Secretary, Judith Seamans; Treasurer, Carl Pina. Mrs. Hartshorn and Mrs. Pratt volunteered to serve as the students' faculty advisors.

Regular council meetings were held on the first and third Wednesdays, usually in room 10 at 2:30 in the afternoon. It was the duty of the Student Council members, who had been chosen by their classmates at the beginning of the school year, to carry out all measures which were voted beneficial to the school. Brought before the Council were such problems as the monitor system, the unco-operative spirit of the boys in our school toward musical organizations, the misusing of the coke machine, the disadvantages of the present marking system, and council attendance.

After an extremely busy year the Student Council can look back with pride upon their many accomplishments. As a member of the Massachusetts Association of Student Councils, our council sent delegates to the special conventions in Plymouth and Falmouth. From these meetings our representatives brought back useful information from other state student councils.

The Student Council looked into the lack of interest in boys' glee club and succeeded in getting many more boys to join. The Council voted down the monitor system on several occasions. This aided Mr. Johnson in discarding the system almost entirely. The disadvantages of the marking system were discussed so often that the problem was presented to the faculty members, who have made plans to introduce a new system next year.

The Student Council supervised the Red Cross Drive, sponsored a talent show and a Christmas carol program, and supplied the students with book covers, Also, as an aid to next year's Freshman class, a handbook was published; and among the council's achievements of the year was the establishing of an Honor Society.

Certainly the Student Council enjoyed a highly successful year!

## "JENNY KISSED ME"

A capacity audience filled Whitman High School auditorium December 12 to enjoy the presentation of the Senior Class Play, "Jenny Kissed Me." This three-act modern comedy was ably handled by the following cast, under the expert coaching of Miss Jean M. Gilbert of the High School faculty: Father, Robert Rumrill; Michael, Roy Mollomo; Mrs. Deazy, Carol Bjork; Sister Mary, Louise McCarthy; Shirley, Betty Hunt; Miss Sterns, Judith Hinkley; Mary Delaney, Cynthia Harriman; Harry, Beverly Blute; Jo, Kathy McMillan; Owen, Jack Harrington; Jenny, Kay Litchfield; Priscilla, Judith Denham; Jane, Cynthia Keith; Mr. Parkside, Frank Vara.

Laid in St. Michael's rectory in the present day, "Jenny Kissed Me" tells the story of a middle-aged, sedate pastor, who is completely at sea in the "fads and slang of the younger generation." When he first heard of the possibility of his housekeeper's niece, Jenny, coming to the rectory to live, he was extremely upset. As the play progressed, however, Father changed his perspective. He was even accused by Michael, his young educator-friend, of having become a combination hairdresser and Emily Post. Hilarious dialogue ensued in father's dealings with the supporting members of the cast. Much credit should be given to the talented Seniors who gave steller performances.

Faculty members assisting in the production of the play were Miss Jean M. Gilbert, director; Miss Dorothy Taylor and John O'Neill, class advisors; and Kenneth Ludlow, scenery. Working with the faculty, the following Seniors served in important backstage jobs: Rita Jones, prompter; James Hogg, stage manager; Thalia Chiros, property mistress; Arlene Landry, costumer; Donald Carter, electrician; and Millard Thomas, sound effects man.

The pretty usherettes at the play were Joan Brock, Beverly Kramarski, Esther Tarvainen, Barbara Brine, Nancy Carter, Sally Hall, Nancy Marshall, and Charlotte Rhodes. Between acts these girls sold home-made fudge. Also at intermissions the High School Band, under the direction of Donald F. Leach, played several selections.

This year Whitman High School was fortunate in having three choral groups--the Senior Girls' Ensemble, the new Junior-Senior Choir, and the Freshman-Sophomore Glee Club.

The Ensemble consists of twenty-one girls who were chosen from a group of applicants last fall. The choir is mixed-voiced, with Senior Girls not in the Ensemble, junior girls, and boys from all four classes participating. The girls in the Freshman-Sophomore group are being trained for the time when they will be part of the choir.

The senior girls made three public appearances in addition to singing at graduation exercises. These included the Christmas pageant presented by the Tri-Town Civic Chorus at Abington, a meeting of the Whitman Women's Club, and the Ellen Conway Spellman essay contest. They also appeared along with the choir at the Christmas pageant presented here at the school.

Next year the incoming Freshmen who belonged to either the Whitman Junior High School Glee Club or the Hanson Junior High School Glee Club will be given preference over these others desiring to join the Freshmen-Sophomore group.

This spring Esther Tarvanien and Alice Karamanian were selected to represent our school at the New England Festival of Music held in Worcester, Massachusetts. After three days of constant rehearsal, the large group representing talented musicians from high schools all over New England put on a public performance, showing the really fine job high school students are capable of doing.

We are sure that these choral groups, under the direction of Mr. Freeman Garniss, will make Whitman High School extremely proud.

Second Row: Ed Moneghan, John Durant, Charles Wurtzburger, Jim Shea, Leon Wagner, Ted Liapis, Paul Byron, Pete Mathews, Jack Walkey, Howie Soule.

This year a fighting Whitman High School team finished in third place in the Old Colony League competition with a record of seven wins and five losses. They had an overall record for the season of eight wins and nine losses. As usual the team supplied the Whitman rooters with plenty of exciting basketball.

The close of the basketball season has left us with memories; such as the near upset at Braintree, the thrilling victory over Hingham, the close games we lost, and the terrific performance at Middleboro by George Harrington, who scored 49 points in a regulation game to set a new Old Colony League record.

The team was made up of Senior, Bill Burnett; Juniors, Bill Powers, Fred Harrington, Flurry McCarthy, Everett Mitchell, George Harrington, and Charles Wurtzburger; Sophomores, Jim Shay, Ted Liapis, Pete Mathews, Leon Wagner, Ed Moneghan, John Durant, Paul Byron, Jack Walkey, and Howie Soule; Freshman, Mark Chiros; and managed by Tommy Lane.

We would like to congratulate Coach Ray Yetten and Bob Teahan for the fine sportsmanship and spirit displayed by the team.

Second Row: Janet Hinkley, Beverly Wyatt, Judith Reid, Joan Campbell, Jean Walsh, Gloria Williams, Jean Ellis, Joan Ellis, Marilyn Powers, Meredith Fullerton.

The girls' basketball team kept alive its tradition and finished with another fine season. Although the team was not undefeated, winning six games and losing four, it provided the fans with exciting action and its four losses were by narrow margins. The second team had an even better record with eight wins and only two losses.

Much of the success of the team was due to the girls' willingness to practice long hours under Coach Maida Pratt and their fine fighting spirit.

The red and black first team was led by high scorers Peggy Duggan, Judy Hinkley, and Margie Jones as forwards. The guards played a most important part in each game and many times were the difference between victory and defeat. They were Louise McCarthy, Mary Kingman, Louise Shea, and Lorraine Brine. Also seeing action on the first team were Ellen Kilroy and Shirley Magnanti.

Leading the scoring for the second team were Nancy Hogg, Merry Fullerton, Joan Ellis, Jean Ellis, Gloria Williams, Judy Reid, Beverly Wyatt, and Joan Campbell. On the defense were Marilyn Powers, Jean Walsh, Janet Hinkley, and Alice Locke.

Managers for the season were Beverly Blute and Ann Giberti.

With so many outstanding players returning next year, the prospects for the '55 season are excellent. Good luck is wished them by the Class of 1954.

BASEBALL TEAM

First Row: N. Silvestri, Co-Captain J. Cantara, Co-Captain E. Fratus, W. Powers.
Second Row: Coach Malinowski, G. Harrington, J. Conlan, R. Wheeler, F. Harrington.
Third Row: W. Clark, F. McCarthy, M. Capelotti, J. Shay.

Working under the capable direction of Coach Malinowski, the baseball team started indoor practice as soon as possible after basketball season. After a few weeks of loosening up, the club began to take shape; and when weather permitted, fielding practice was held out of doors.

Much of the success of this season rested on the shoulders of our two veteran hurlers, John Cantara and Bill Powers, who certainly came through in their customary fine manner.

The team had many other returning veterans, including catchers, Erv Fratus and Nathan Silvestri; infielders, Flurry McCarthy, George Harrington, and Bob Wheeler; and outfielders Everett Mitchell, John Conlon, and Fred Harrington. Mike Capelotti, Jimmy Shay, Ray Seamans, and Bill Clark were this year's new additions to the varsity squad.

When this yearbook went to press, the team's record was

JUNIOR CLASS OFFICERS

First row: Nancy Hogg, Vice-President; Judith Nelson, Secretary
Second row: Mr. Collins; George Harrington, Treasurer; George Johnson, President; Mrs. Brewer

The Junior Class Officers this year were George Johnson, President: Nancy Hogg, Vice-president; George Harrington, Treasurer; and Judith Nelson, Secretary.

The first job done by the Juniors this year was the selection of their class ring. Early in the fall a committee was chosen, consisting of Sandra Beck, Nancy Bryan, Kathleen Deehan, Robert Emery, Robert Bennet, and the class officers.

Six companies contacted the committee with requests to show their rings, and one ring was chosen from each. Most of the rings were in a choice of four colors--red, black, blue, and white.

Finally, about the first of November the class held a meeting to decide on one ring. We picked a rectangular-shaped ring with a small "W" in the center. After much controversy over the color it was decided that the girls would have white only and the boys would have black. The rings were then ordered, and they arrived early in March.

On November 20, 1953, the Juniors held their first of two dances of the school year, taking as a theme, "World of Songs." The gym was appropriately decorated with fixtures depicting popular and old-time music. Much fine work was done by the hard-working decoration committee. General chairmen were Kathleen Deehan and class president George Johnson, who worked with several large committees under the direction of our class advisors, Mrs. Brewer and Mr. Collins. Music was provided by Earl Hannafin and his six-piece orchestra. All in all, the dance was very successful, both financially and socially. Most important, however, was that everyone had a good time.

In the fall of this year each class, in competion, decided to do something special for the Thanksgiving Day football rally, prior to the Abington-Whitman game. To further the school spirit each class sat together, and Juniors all dressed alike. The girls wore white blouses with red shoestring ties, dark skirts, red socks, and white shoes; the boys wore white shirts, red shoestring ties, and dark pants. Each boy and girl also wore a red shoestring tied around his right arm.

The highlight of the social season for the Juniors was the annual Junior Prom. The artistic decorations were in keeping with the traditional theme of spring. Everyone looked his best and had a wonderful time making the event a social success.

SOPHOMORE CLASS OFFICERS

First Row: Janet Hinkley, Secretary; Carol Marshall, Vice-President;
Second Row: Mr. Andrew; Mervin Scott, Treasurer; James Shay, President; Mrs. Lapworth.

Well, here we are as sophomores. This is the first time that we have been able to have a real part in the yearbook. To be sure, we are quite proud.

Our first class meeting took place a few weeks before the Thanksgiving Day game. At that time, Mr. Andrew and Mrs. Lapworth instilled in us some confidence which was greatly appreciated after the ordeal of being freshmen. They also discussed with us our plans for the rally. With the whole class working hard, we produced some very original posters and displays.

Another big first for us this year was our dance. About a month before the dance we signed up for committees. Soon afterwards we had a meeting of all those who had signed up, and co-chairmen of the various committees were elected. They were as follows: Decorations--Robert Bergman and Grace McLaughlin; Tickets--James Shay and Nancy Donahue; Refreshments--Gail Chiros and Maureen Canty; Publicity--David Perrier and Carol Marshall; Orchestra--John Brock and Marcelle Schmikler. Then we chose a title for our dance. It was "Holiday Whirl." The decorations depicted all the seasons. When February 26, the night of our dance, came everyone who had worked on it felt very proud, because the dance was a great success. We hope that our future dances will be as popular as this one.

We have made a good start this year and we are eagerly looking forward to next year when we will be Juniors and upperclassmen.

FRESHMAN CLASS OFFICERS
(Left to Right)
James Flynn, Secretary; Marie McCarthy, Vice-President;
Pat Grispi, Treasurer; Norman Sayce, President.

The Freshman Class of Whitman High School, during the school year of 1953-1954, was given the privilege of electing class officers for the first time in the history of the school. During the month of January the hopeful candidates campaigned; and then on January 21 the members of the Freshman Class elected Norman Sayce, president; Marie McCarthy, vice-president; James Flynn, secretary; and Patricia Grispi, treasurer.

As Freshmen we have been very active in sports. On the Junior Varsity girls' basketball team we are represented by Joan Campbell, Alice Locke, Judy Reid, and Beverly Wyatt; while Mark Chiros and Charles Benoit showed their abilities on the Varsity football squad, with Mark our only Freshman on the Basketball team. There are also a number of boys from our class on the track team who show great promise for later years.

In September, two cheerleaders were selected from our class. They were Janet Cashman and Mary Alice McLaughlin. Both of these girls have shown great ability and spirit, and they have proven themselves as excellent representatives of our class.

As Freshmen, we are particularly proud to be able to participate in the running of the student government. Early in the year we elected homeroom officers. The homeroom presidents were then placed on the Student Council. Our representatives have assisted in many of the council's projects and at the meetings have voiced our problems and suggestions. In this and drum majorettes. The Freshman Class is well in school affairs.

Many of our Freshmen girls are members of the Glee Club. Here they will receive their training in preparation for the school choir. They have already planned a program at which they will show their ability. Also in the musical field we find that many of our classmates are members of the band and drum majorettes. The Freshman Class is well represented in this field.

These are the activities in which we, as Freshmen, have participated. They seem few compared of those of the busy Seniors. We look forward to our Senior year with happy anticipation, and we hope it will prove to be as successful as that of the Class of 1954. We take this opportunity to wish the members of the class of '54 the greatest success and happiness in the future.
